March 12th  
May 7th  
June 18th

\*\*Go to [www.act.org](http://www.act.org) to register

\*\*High School Code = 171395

## Concurrent College Classes

If you will be taking concurrent college classes through Northwest Tech, you must contact them after grades have been posted and have your college transcript sent to the college you will be attending next year.

## Resume/Data Sheet

Update your resume/data sheet as soon as possible. You will need this for scholarship applications.

## College Visits / Applying to Colleges

Seniors are allowed three college visits. The visits need to be set up by Mrs. Lehman beforehand to be excused. Some colleges also offer weekend visitations. Click on the link to submit your request for a visit.  
<https://goo.gl/forms/bCoRJZh4tyxRII7C2>

Admissions representatives from area colleges and universities will be here periodically throughout the year. However, it is recommended that you visit colleges early in August, September, and October.

Apply to colleges in the early fall, and apply to more than one. This will allow you time to make a decision, and in many cases, you need to be admitted to a college before you can apply for scholarships.

## Scholarships / Financial Aid

\*\*Local and organizational scholarships have varied due dates.

\*\*Check websites from your colleges of choice for information about scholarship deadlines, criteria, etc.

\*\*Complete the FAFSA (Free Application for Federal Student Aid) as soon as possible after October 1.

<http://www.fafsa.ed.gov> You will need the prior year's tax information to complete this.
